

St Albert's College ANNUAL APPEAL 2019

Supporting Growth & Change

ONCE YOU'RE ALBIES
YOU'RE ALBIES FOR LIFE

ST ALBERT'S COLLEGE 50th Anniversary Year

As Albies celebrates its 50th Anniversary year, we continue to focus on the Albies Legacy to ensure that our student body continues to benefit from the culture for which the College has long been renowned. Our vision for St Albert's College can only be achieved with the support and generosity of our broader community; together we can ensure that Albies is a viable choice for students for many years to come. The scholarship, bursary and building funds are three key areas within the Albies Legacy. All donations are tax deductible.

SCHOLARSHIP FUND

St Albert's is renowned for bringing out the best in our students, whilst still upholding the core values of community engagement and support. The ability to produce outstanding young men and women who are contributors to society across numerous endeavours is something we believe in strongly. To that end, we aim to offer scholarships to those who personify the values of the College.

BURSARY FUND

With the increased cost of a tertiary experience and competing priorities, it is critical that the Albies Advantage remain open to students from all backgrounds. Available to new and ongoing students, bursaries are distributed based on financial need. Your donation ensures that we maintain our culture of inclusivity and support, particularly during this time of severe drought.

BUILDING FUND

As we celebrate our 50th Anniversary year, the life span of our College infrastructure has reached a critical point. In recognition of this fragility, the College has commenced an extensive maintenance and upgrade program, as a part of a building master plan. Your donation will ensure we are well equipped to cater for future generations of students and other stakeholders for years to come.

BE A PART OF THE ALBIES LEGACY

Scholarship Fund

Supports outstanding young men and women who personify the values of the College.

Bursary Fund

Ensures that the Albies Advantage is available to students from all backgrounds.

Building Fund

Working to secure the capital infrastructure of the College.
