FROM THE MASTER

Last weekend saw some amazing results for our netball club, culminating with two premierships and another close loss in the three finals we participated in. A huge congratulations to those teams and their coaches on what was a fantastic effort in representing our College so well. This was also followed up on Sunday afternoon by our Annual Hockey and Netball Presentation afternoon, which was a celebration of the wonderful season both clubs have enjoyed. Congratulations to all the award recipients and especially to our committees who’ve worked tirelessly behind the scenes to ensure a very successful season for both clubs.

On Sunday we also joined with the Cathedral Parish for our End of Year Mass celebrated by our College Chaplain Fr Francis. I’d like to take this opportunity to thank him for his ongoing support of the College and the positive energy he’s brought to the lives of our student body throughout 2016.

As exams are upon us I am pleased to note that there is a real change in energy at the College, with the communal spaces full of students utilising areas for work stations. The support being offered for each other by our students has been a real highlight.

I wish all our students the very best of luck in the upcoming exams and offer my sincerest thanks to all of them for their ongoing support and goodwill.

With my very best wishes,

Jas Lincoln

FROM THE HEAD STUDENT

With the final weeks of college upon us and exams looming, stress levels are increasing, with the dining hall and the mythical place ‘up top’ finally being used for last minute ‘study’. I wish everyone all the best with their exams and preparation. If you work hard then I’m sure you will reap the rewards.

Big congratulations must be given to the netball girls with three teams making it through to the Grand Final. A Grade and A Reserve Grade were successful in their bid to bring home the big prize. B Grade unfortunately went down valiantly to the undefeated Robb side.

Sunday saw the Hockey and Netball Presentations, acknowledging the efforts of women’s sport with both codes having successful seasons. A big thank you must be given to Karen Willcocks Hockey President, and Georgie Phillips Netball President, and their respective committees for their tireless efforts throughout the season.

As my time at college finally comes to an end, I would like to take this opportunity to thank college management and my fellow students for an extraordinary half a decade calling Albies my home. To my fellow valedicts, all the best for the next chapter of your lives, I’m sure our paths will cross soon enough. To those continuing on, take every opportunity Albies gives you. Take them with both hands. You will be surprised where the connections you make and skills you develop can take you in the future.

All the Best,

Harry Pendlebury
ACADEMIC REPORT

With the last week of class upon us it has been great to see how everyone has been using the facilities available including the dining hall and tutorial rooms for study and to finish off the last assignments of the year. As we come up to exams a couple of reminders for those students sitting exams:

- Arrive at your exam location at least 15 minutes before the exam, as seating will commence early;
- Have a form of photo ID on you such as a driver’s licence or student card;
- Check the requirements of the exam beforehand for any aids you may be allowed to take in with you; and
- Check that your calculator is on the approved list before the exam.

If anyone feels as though they require special consideration for this Trimester, the last day that you can apply for this is five days after your last exam.

If anyone has any questions or concerns, please come and see myself or any of the AAs.

LET’S TALK WITH LOUISE

Hi all,

Procrastination; many of us do it especially when it comes to study. Procrastination can become problematic when it results in negative consequences, such as the piling up of assessments and loss of marks. If you are having difficulty with this there are things you can do.

If you feel like having a chat, I’m at college Monday’s, Wednesday’s and Thursday’s from 12-3.30 pm. I am also available at the Centacare office in the morning on the same days. Additionally, I’m also available to talk over the phone or via email and I can be contacted on 67387200 or at l.carstairs@centacareenw.com.au

Hope you all have a great week.

Lou

We welcome the new Committee for 2017:

- **President**: Karen Wilcocks
- **Vice-President**: Maddy Taylor
- **Secretary**: Natalie Aquilina
- **Treasurer**: Alice Bowler
- **Sponsorship/Public Officer**: Peta Bradley
- **Register**: Claudia Mitchell
I would like to congratulate all members of the Albies Netball Club for such a successful season in 2016. We had a total of nine teams across four grades and were consistently dominant all year. We had four teams qualify for finals including A Grade, A Res 1, A Res 2 and B Red, with both A grade and A Res 1 finishing as minor premiers. Unfortunately, the draw saw A res 1 playing off against A res 2 in the preliminary finals with A res 2 being knocked out. Three teams made it to the grand final of their divisions, with both A Grade and A Res 1 competing against the fiery Barbets, and B red versing long-time rivals, Robb. A Grade came out firing, determined to leave everything on the court, resulting in a one goal win over Barbets. Despite two considerable losses against the Barbets, A Res 1 started the game extremely strong, leading to an 11 goal win. B Red was the last Albies team to take the court for their grand final, and despite having fantastic perseverance, they went down to Robb by eight goals.

A Grade led by Kirstie Fuller, Matt Nott & James Reynolds and captained by Kat Young, A Res 1 led by Georgie Phillips, Michael Thomas and Greg Pearce and captained by Sophie Dowssett, as well as B Red led by Mel Hagenbach, Craig Norrie and Jack Spork and captained by Peta Bradley, are all to be congratulated for their fantastic efforts on the day. Well done to everyone in the club for your determination and dedication all season, and best wishes for 2017!
